---

### **MbayC Design Studios**

**MbayC** was founded in November 2010 by Calvin Bailey, Landscape Designer. The company is headquartered in Dallas, Texas. We offer a proven track record of creative, high quality urban planning and landscape designs for public sector, commercial and high-end residential clients. **MbayC** provides the highest value and service to meet our client investments in professional landscaping services. We have a reputation for designing and delivering creative eco-friendly plans, meeting client requirements within community or zoning restrictions, all within budget.

### **Calvin Bailey, Landscape Designer**

Mr. Bailey is a veteran, having served six years in the US Marine Corps, including duty as Guardsman to the President. He earned a Bachelor of Landscape Architecture from Oklahoma State University and was awarded the Harrison Walnut Redevelopment scholarship. Mr. Bailey keeps updated as he pursues additional professional accreditation. He worked with architectural landscaping firms in North Kansas City, MO and Dallas, TX for seven years before founding **MbayC**.

### **Services**

**MbayC** is a full service landscape architecture design company offering services to public and private organizations and high-end residential including:

- Landscape Design / Build
- Landscape Planning
- Installation of Landscaping (561730)
- Land Preparation Services
- Irrigation System Design / Install
- Xeriscape / Native Grasses and Wildflowers

### **TXDOT Projects**

**MbayC** has the credentials and experience to work on landscaping project designs to TXDOT to integrate environmental and aesthetic concerns, mitigate adverse environmental impact, provide for a safe driving environment and be a good steward of state resources. We seek opportunities to partner with prime contractors and contract to state/federal agencies to offer value-driven landscape architectural design services.
